The exercises will be broken down as they are taught; ensuring you learn proper technique and the slightly smooth pace will give you confidence to execute the movements safely. This type of class is suitable for people new to Pilates and also to those with experience but are looking to brush up on their technique.

PILATES REFORMER INTERMEDIATE

RPM Hi-Performance: 60 minutes.

YOGA YIN

Perfect for stress reduction, Yin aims to re-balance your chakras and harmonise your body, mind and soul. These specific asanas (postures) are designed to target the connective tissues and are held for much longer durations than other styles of Yoga. The meditative nature of the style will bring your focus inward to create ultimate calm whilst eliminating toxicity and removing energy blockages throughout the whole body.
